BRIDGE DECK REPAIRS ON INTERSTATE 93
VARIOUS BRIDGES BETWEEN DERRY AND SALEM

The New Hampshire Department of Transportation announces that beginning the week of June 16, 2003, NHDOT bridge maintenance crews will be performing deck repairs on several Interstate 93 northbound and southbound bridges between Derry and Salem.

These bridge repairs will take place from 8:30 AM to 3:30 PM for five days and will require lane closures. Warning signs, cones, and uniformed officers will help direct motorists through the work zones.

Drivers are asked to use caution when proceeding through the work zones. Some minor delays should be anticipated.
